

*“For the months of March and April, I was busy translating CULT’s accounting forms from Thai to Khmer (Cambodia) and then to English with the help of Ms Monthana Pen, one of my co-staff at CULT. I really learned a lot from our study visit to four CUs in Petchaburi Province. I am eager to share my experiences and learning in Petchaburi to my community in Cambodia especially the concept of savings and the technical and financial programs and services members can avail from CUs. In May, we continued our language course. This time the tutorial class was held at CULT in coordination with SMIT Language School.”*
